PROGRAMS

Wyoming Rescue Mission (WRM) offers sanctuaries of radical hospitality to the homeless and those in need in Central Wyoming. In the fiscal year ending June 30, 2019 it provided 57,312 meals and 42,161 beds through its main programs. The Emergency Services Program gives guests a safe place to stay at night, three hot meals a day, laundry services, community referrals, and individual case management. The goal is to help them to achieve job placement and secure housing. This program can last up to approximately 90 days depending on the guest's specific needs. The Discipleship Program provides individuals with a safe environment to address their personal challenges head-on through intensive case management, Christian counseling, life skills training, work therapy, and educational opportunities. The Program consists of three 4-month long sessions, each designed to take a progressive approach to overcoming the obstacles preventing the guest from being productive contributing members of society. In an effort to reduce recidivism WRM established a Mentoring Program in 2015. This program matches families in crisis in the community, and individuals in its Discipleship Program with mentoring teams from the community. The mentors receive specialized training and are matched to families/individuals based on several criteria. The goal of this program is to help those that come to the organization to learn to create and maintain healthy relationships. These mentoring relationships are meant to last after the guest has left WRM in order to further ensure long-term success.
